

In your groups of 2, please search out many different famous speeches with You Tube. Download them using “You Tube to MP3 Converter.” Some might be copy protected so you might have to find one that is not.

Assemble your speech clips in multi-track view to tell a story.

Find theme music that fits and fills the mood of your clips.

Each speech clip should be no longer than 7 seconds!

The whole production should be no less than 1:30.

Be creative!!!!
