

## **SCHOOL OF ROCK**

**Students in Audio Production 1 will learn how to play a drum set. They will learn a basic beat on the Roland Digital Drums in class. The timeframe for the whole class to learn will be 1 and ½ weeks. Students will be graded on the following:**

**Grade #1: Active Participation**

**Grade #2: Mastery of the basic beat**

**Learning the basic beat on a drum set will allow students to participate in upcoming studio projects and also give them a skill and appreciation of learning an instrument.**
