

In your groups of (3) you are to create a NEW superhero. You are to dazzle us with his/her super powers. You will need to record a voice over for this project. You will need to:

#1 Write a script of what is said. There isn't any adlibbing

#2 Look through the effects to see how you will produce this

#3 Make a time to record your groups voice overs

#4 PRACTICE out loud your voice overs. The project can only be as good as

The voice acting.

#5 Fill out your groups agreement at the top of the Audio Production 1

Page at enloeaudio.com and turn it in.

This project must be no less than 3 minutes. Please check the grading rubric for this at enloeaudio.com at the top of the Audio Production 1 Page. This project is worth (2) grades.
