

The Great 90's Time Capsule

In your groups, research the 90's. Look at the TV shows, the culture, the movies, the news, & the music! What "made" the 90's? Take us back in time to the 90's! Piece together a 2 minute montage of clips using You Tube for downloads. Intertwine music and keep it moving. Do not hold a clip for more than 4 seconds. Make this entertaining and fun to listen to. BE CREATIVE!!!!
