

EDITING PROJECT/TEST

This will be a timed event. You will have 5 minutes max to do the following:

#1 Import a certain piece of audio into Adobe Audition 1.5 edit view

#2 Move that audio to the multi-track view

#3 Duplicate that audio clip in multi-track view twice

#4 Cut one of the clips that you duplicated 3 times

#5 Move all the clips in multi-track view at once

#6 Mixdown all your audio into an mp3 from the multi-track view

#7 Then “tell” me how you would send in that project for a grade.

**THIS IS A PASS/FAIL GRADE WORTH 2 GRADES. THIS IS TO BE DONE AS
INDEPENDENT WORK.**

MAKE SURE YOU FOLLOW DIRECTIONS!
