Audio Project Grading

(1) A 100-93

(2) B 92-85

(3) C 84-77

(4) D 76-70

(5) F 69-0

IT EITHER "IS" OR IT "IS NOT"

An "A" has **ALL** these components. -10 points for each not present

1. In on time the day it is due in the correct mp3 format and length
2. All audio levels are consistent (No real high and lows)
3. No "popping" of sounds in and out (Actual popping sound is heard)
4. Background noise "room echo" is not present
5. NO distortion or clipping
6. A very layered soundscape is present. (always something going on)
7. Scenes move quickly around 5 seconds each. (NO long walks etc)
8. Music is used sparingly for effect with 10 or less seconds
9. Strong voice acting and no profanity
10. The voice can be heard clearly every time
