

## **Contract Job #1**

**You have been contacted to install a PA system in our school gymnasium. The client would like to know what they need. Please use [sweetwater.com](http://sweetwater.com) for all of your advisement. The client would like to know why you are recommending what you are recommending in great detail. How will each piece of equipment be beneficial? You have an operating budget of \$15,000.00 for equipment. You must only have \$150 left over out of your \$15,000.00.**

- **ALL EQUIPMENT**
- **ALL WIRING**
- **ALL PRICING**
- **WIRING LAYOUT (feet needed, idea of how you would have the wire run)**
- **PICTURES OF EVERYTHING!!!**
- **DISCUSS THE MANY DIFFERENT FEATURES OF THE SYSTEM AND THE USES**
