

GET YO RAP ON

In your groups, you are to create a rap song of at least 3 minutes. You must make a beat in FL Studio (or) obtain a beat. The beat must be free of “tags” to use. You must not cuss or make fun of anyone within the school. (i.e. principals, teachers, or fellow classmates.) Doing so will result in a failing grade. You will perform the song live in front of the class. Your performance will be graded! That means that you do not laugh or quit your part during the performance. PRACTICE!

I DO NOT KNOW HOW TO USE FL STUDIO TO CREATE ANYTHING “WORTH ANYTHING.” Have fun trying and learning on your own.
