

HALLOWEEN/FALL PARTY POSTER

Your classroom neighbor is having a Halloween/Fall party. They are clueless about how to design an “event announcement.” Lucky for them they have you and your Photoshop skills! Interview your classroom neighbor and get the basic facts below and create an event announcement. They will have to approve it. They will have to find at least 2 faults with it for you to redo. It must have at least 10 layers. Take their photo to add into the project if you wish for extra creativity.

Who:

What:

When:

Where:

Why:

It MUST show the theme (Halloween or Fall)

Save it as a JPEG or PNG File. Submit to CANVAS.

I will also check your projects in person.
