

THE HOUSE ON THE CORNER

In your groups, you are to create a “Halloween type” story that is written about the house on the corner. You are to incorporate a voice over, Halloween spooky type music, and lots of suspense and drama. Use the Halloween folder in the sound effects library to produce. I also have some suspense music that I have created that I can give you. Have fun and be safe around the house on the corner!

Worth 3 Grades of equal weight.

3 minutes in length

Check the rubric for how you are graded and produce to that standard.
