

THE TWO TREES

Below, you will find a picture of two trees. I took this picture back in 2016 on the Blue Ridge Parkway one delightful afternoon!

I would like for you to take a look at the photo and think about what makes the two trees different. What makes them similar? Compare your assessment of the trees to school/life and how you can be more like the “green tree.” This is NOT stating the obvious about the trees but using the trees in a metaphorical sense. I will not guide you more than that as to not taint your authentic discovery.

Conduct this with a partner.

PLEASE HAVE 1 PAPER PER GROUP OF NO MORE THAN 2 PEOPLE.

This will be a graded writing and oratorical assignment.

Have a group spokesperson that is ready to present!

1/2 Page Single Spaced 12-point font Times New Roman is enough to address this discussion. Less than that will not lead to a scholarly discussion.

YOU WILL NOT SUBMIT THIS but it will be graded as an assignment.
