

THE WEATHER REPORT

You are to create a weather report where you are tracking a tornado/hurricane. You are to have a news anchor and 2 live reporters. You are to go between the newsroom and the live reporters at least 3 times. Please use effects, portable recorders, and the voiceover studio to produce to the MAX. I want this to be VERY RICH IN DETAIL! The time length is 2:30. I am looking for detail and creative thought. Do it up right!!

(2) grades:
