

WHACK IT BALL

In your groups you are to create the following for the game of Whack-It-Ball. The rules for the game are on the board.

#1 Create an opening theme song and intro that should last around 45 seconds. This needs to be produced with HIGH IMPACT.

#2 Create (1) 30 second commercial for the game. This must be produced with lots of creativity with more than just voice over. See the rubric for grading at enloeaudio.com

#3 Create an interview with the players of the game. This is an opportunity to have a smack talk.....but keep it clean. This should be 1 minute in length. Please watch this link for an idea.

We will play the game after this is complete. 😊
